To
The Respected Honourable President of India
Rashtrapati Bhawan,
New Delhi

Subject: Prayer for the betterment of All India poor public as well as majestic Indian states development.

Respected Sir,

With most humbly and respectfully I beg to state that I, Sri Krishna Rongpi Chief Chairman and Functionaries of TRIBAL WELFARE DEVELOPMENT ORGANIZATION AUTONOMOUS COUNCIL, under Indian Rural Development Swarna Bharat of Government of India. In every dates of India various problems have been arising for poor public specially in the North-Eastern region. For solving such problems, we the TRIBAL WELFARE DEVELOPMENT ORGANIZATION AUTONOMOUS COUNCIL have been appealing the Government of India many times for helping the poor public. The innocent poor public have not seen any positive changes or transformation and they are helpless from any directions. And the Memorandum we, the TRIBAL WELFARE DEVELOPMENT ORGANIZATION AUTONOMOUS COUNCIL submitted many times to you and also to the Central Government of India are of no use or benefits. All do we get is, vanishing hope and believe from the heart and soul of the public. We have been thinking and hoping that the poor public life will be developing, progressing and prosperous but all of these are of no use but the poor public are still dreaming in such hope. It seems as there is no provision and constructive rules and regulations for the betterment of the underprivileged poor public, that's why they are wiping of their tears in their destiny and also some of them died of helplessness.

At current situation, everything is done orally or theoretically but not practically, which is of no help for the underprivileged poor public. So we, the TRIBAL WELFARE DEVELOPMENT ORGANIZATION AUTONOMOUS COUNCIL are appealing you and also the Central Government of India to co-operate with us for the betterment and development of underprivileged poor public of India specially the North-Eastern region public. Our country has been independent for so many years but yet we are not free from or independent from our basic needs or poverty. So this is our country, our place, our people and we need to look after them.

Therefore, we, the TRIBAL WELFARE DEVELOPMENT ORGANIZATION AUTONOMOUS COUNCIL under Indian Rural Development Swarna Bharat of Government of India seeks substantial support or sufficient help from you and the Central Government of India as soon as possible for the betterment and development of the underprivileged poor public.

Your Faithfully
Chief Chairman Krishna Rongpi
